

BEW MONTHLY STUDENT LEARNING SUPPORT:

- BEW Learning Plan -sent every two weeks –includes 40 hours (average of 4 hours per day) of learning activities that are focused on the common core state standards
- BEW Daily Email Communication – BEW educator receives and responds to student email about daily learning plan progress
- BEW Once a Week Video Conference – BEW educator has a weekly video conference with student about their learning plan progress
- BEW Weekly Reading/Writing/STEM (science, technology, and math) Workshops - student spends one morning, (8:15 to 11:45) a week, either Thurs, Fri, or Sat. in intensive learning workshops with 8 other students. BEW educator focuses on standards common among grade levels
- BEW Monthly Small Group Sessions - Once a month BEW educator meets with three students for one hour to review learning plan progress & conduct standards based assessments
